

2008 QUIZ RALLY Volunteer Sign-Up Form

Pony Club: _____

We appreciate all the help from PC Parents to make our event fun and rewarding for our kids. We need a chaperone or parent to shadow each team and help with moving between rooms, to complete name + rank information on test sheets and lunch traffic flow. Please provide the following information about your club's adult volunteers for this event and include their email addresses.

Number of Teams Entered: _____ **Key Adults for each team are:** _____

All jobs are fairly simple and fun!

Volunteers are required to attend the job briefing at 8:30 am. If you will be later, please let us know so we can fit you in then.

Examples of Jobs needed for the Classrooms:

Room Steward: This will be the team chaperone or key parent! Responsible for keeping spectators quiet while competition is in progress. May be sent on simple errands by Judge.

Scorekeeper: Two scorekeepers are needed in each room. One writes the scores on large score sheets posted on the wall and one writes the scores on smaller score sheets on the table. The Judge will determine scoring for each question and tell scorekeepers what to write. The Chief Scorekeeper will also provide an orientation for this job at the rally.

Timer/Recorder: Uses stopwatch to make sure competitor responds to question within time allowed. Also responsible for starting/stopping tape recorder during competition.

Table Monitor: In the Mega & Station rooms to monitor traffic around a table keeping children quiet and orderly, answer simple questions and do tasks asked by Room Organizer/Judge.

Scoring Helpers: In separate office, help the Chief Scorers with score sheets and any tasks that may be needed to speed up the scoring process. Good if you like detail work.
